

## ReMAP

Software for the Digital Enterprise

**ReMAP™** is a SaaS portfolio of solutions designed to transform a business into the Digital economy. It has three basic tenets – **BUILD**, **OPERATE** and **MEASURE**

**ReMAP BUILD** establishes a company's digital infrastructure with the setup of products and services, master data, campaigns and commerce online.

**ReMAP OPERATE**, covers all aspects Lead acquisition, Lead Management, Sales Presentation, Pricing and Selling and Fulfillment of Materials and Labor to complete projects. It addresses entire business operational workflows.

**ReMAP MEASURE** facilitates ongoing measurement of business performance through specific metrics and dashboards.
